Drive On Egyptian Forces In Desert Area Continues

Jewish Forces Smash Deeper Into Negv Area

Claim Capture Of Additional Strategic Points In Desert Battleground

EGYPTIAN TROOPS BOMBED FROM AIR

By BENN FELLER
(I. N. S. Staff Correspondent)
TEL AVIV, Oct. 18.—Jewish land and air forces smashed deeper into the Negv area today in a determined bid to drive Egyptian troops from the Palestine desert.

An Israeli spokesman described the fighting as "most intense."

Bomb Egyptian Troops

Planes of the Jewish air force bombed Egyptian troops and supply points at Gaza, Faluja, Beer-sheba and El Arish, all in the upper Negv.

The Jews claimed the capture of additional strategic heights in the desert battleground, but did not locate them.

Dispatches from the battle zone indicated that the Israeli troops have linked up with besieged Jewish settlements in the disputed desert area and cut off Egyptians from their supply bases.

In Tel Aviv, meanwhile, the government considered a U. N. demand for a three-day cease fire with both sides "freezing" in their present positions.

Censorship masked details of the heavy fighting that raged along a twenty-mile front in southern Palestine. But it appeared that Jews held the upper hand.

Residents of northern Mercer county were given their first taste of snow this season over the weekend. Highway department officials from that area reported that snow fell early today in that area. While snow was predicted for this district none was observed in Lawrence County.

Continual rains over the week and brought down many tons of leaves on city and county roads and streets adding driving hazards to district motorists. Earth roads in the rural areas in many sections presented driving problems, due to their wet soggy condition.

Many grotesque figures and characters will be seen about the city in the next couple of weeks with the institution of the Halloween season. Masquerade parties are being scheduled in many homes and many spooky costumes will be worn by participants in the social affairs. The most weird costumes that have ever been offered are being sold in various stores of the area.

Indications that another hunting season is coming on rapidly is reflected in the presence of newly erected signs throughout many Western Pennsylvania districts, indicating "Hunting Prohibited." There are also a considerable number of "restricted" areas in the area also.

Communists Make Poor Showing In Electoral Vote Contest—De Gaulle Also Loses

By JOHN E. LEE
(I. N. S. Staff Correspondent)
PARIS, Oct. 18.—France's moderate parties scored a smashing electoral victory today over both right and left-wing extremists. Late returns showed that Communists have lost considerable strength and that DeGaulleists are far weaker than even their mildest claims.

The radical independents, moderate rightist party led by former Premier Paul Reynaud, and the socialists emerged as the strongest parties in the nation. DeGaulleists ran a poor third, and Communists a surprisingly bad fifth.

An Opinion Poll
The elections were held to select 100,011 delegates to the electoral colleges who will name members of the French council of the Republic upper chamber of the French parliament, on Nov. 7.

Since the council has only advisory powers, the election's significance is seen as merely that (Continued on Page Two)

Dulles Declares Soviet Blockade Has Backfired

PARIS, Oct. 18.—(INS)—Republican Foreign Policy Expert John Foster Dulles said today that the Soviet blockade of Berlin has backfired on the Russians.

Dulles said that west sector Berlin residents have demonstrated their willingness to suffer hardship rather than succumb to Soviet rule.

Back in Paris after a quick tour of Germany and Austria, Dulles told a news conference that Anglo-American resourcefulness in conducting the Berlin airlift surprised the Russians.

He said that the airlift has improved morale in the western occupation zones while morale in the Soviet zone has sunk to a new low.

Oppose Speedy Signing
Discussing Austria's hope for a quick peace treaty, Dulles indicated that the U. S. as well as Russia is opposed to speedy signing of a pact.

The U. S., he said, is unwilling (Continued on Page Two)

Northern State Area Has Snowfall

(By International News Service)
The first snow of the season hit western Pennsylvania today, but it was scattered, light and temporary.
Erie, Brookville, Confluence and Uniontown were among points reporting light snowfalls. From one to two inches of snow blanketed northern Butler county during the night.
The weather bureau in Pittsburgh said scattered flurries will continue today and tonight, followed by clearing and warmer weather.
Vandergrift's 33 was the lowest reported minimum early today.

Speaking Today In Upper New York State—At Old Home Sunday

By WILLIAM E. ZIMMERMAN
(I. N. S. Staff Correspondent)
WASHINGTON, Oct. 18.—Developments on several fronts gave notice to Russia today that the United States will continue the air lift to Berlin indefinitely.

The air force sent out an urgent call for 10,000 former airmen to reenlist for immediate assignment to the airlift.

At the same time, John Foster Dulles, Republican foreign policy adviser, said in Berlin that the United States will continue full support of the operation if the GOP wins the elections next month.

Dulles visited Berlin and conferred with Gen. Clay, U. S. commander in Germany, while enroute from Vienna to the UN meeting in Paris.

President Says Distrust Blocks World Agreement

Truman Speaks To Legion Convention In Miami, Fla., This Afternoon

By ROBERT G. NIXON
(I. N. S. Staff Correspondent)
MIAMI, Fla., Oct. 18.—President Truman warned today that "a dark fog of distrust blocks U. S. Russian agreement and it will be 'a long while' before the world is organized in a 'friendly family of nations.'"

Rejects War As Only Way

The president firmly rejected, however, the idea of war as the only way out of present international differences and pledged that there will be "no chip on the shoulder of America."

Mr. Truman told the American Legion annual convention that rival powers can exist peacefully. He declared that world leaders must dispel the distrust now confusing the approach to peace.

The president said that "so long as there is so much distrust," little headway can be made toward settlement of the conflict between the western powers and Soviet Russia.

Not Undermining Plan

Mr. Truman said his recently abandoned proposal for sending (Continued on Page Two)

Snow Falls In New England

(By International News Service)
New Yorkers and New Englanders got a chilly reminder today that old man winter is on his way. Light snow fell in up-state New York and in the mountain areas of New England.

The sudden cold snap began in the middle west during the week-end and spread eastward. It didn't snow in New York City but the weather was a bit rainy and colder. Freezing temperatures were expected in suburban areas.

The first snow of the season was reported in such places as Elmira and Auburn, in New York, and in Pittsfield, Mass., Montpelier, Vt., and Caribou, Me.

Wife Is Shot Dead; Husband Suicides; In Sunday Tragedy

Mr. and Mrs. David J. Jones, Cleveland Avenue Victims Of Murder And Suicide

SHOOTING IN HOME SUNDAY MORNING

Tragedy visited the home of Mr. and Mrs. David J. Jones, of 714 Cleveland avenue, Sunday morning, leaving the couple dead, from gunshot wounds of the head, a murder and suicide, Coroner Charles E. Allen reports. No motive could be assigned for the dual shooting, except that Mr. Jones was apparently jealous of his wife, but had no occasion to be, their children stated. Mr. Jones was 52 years of age, and Mrs. Jones 44.

The shooting took place in the couple's bedroom, on the second floor, somewhere around 8 o'clock, it is believed. Their lifeless bodies were discovered about 8:30 o'clock by their daughter Delores, aged about 17 years. Mrs. Jones was lying in bed, apparently having been shot while asleep, while on the floor, at the side of the bed, Mr. Jones was found. Mr. Jones had apparently fired two bullets into the right side of his wife's head, at close range, with a .38 calibre revolver, and then shot himself through the right temple.

Dead Is Heard

The eldest daughter, Edith, left for her work at the Jameson Memorial hospital, where she is employed as a secretary, at 7:30 o'clock, she stated. The rest of the family was up and had eaten their breakfast. Mr. and Mrs. Jones then went back to bed, the children said. They did not hear the sound of the shots, but heard a thud, evidently caused by Mr. Jones body falling to the floor. They thought at the time it was a noise caused by the wind blowing the porch swing against the house.

Delores, after discovering the tragedy, went to the home of a neighbor, and notified police, Detective John Moore and Officers (Continued on Page Two)

U.S. Warns That Free Nations Of World Must Arm

Austin Warns Of "Unknown Danger" Behind Russian Iron Curtain

NO SECURITY UNTIL SOVIET LIFTS CURTAIN

By PIERRE J. NUSS
(I. N. S. Staff Correspondent)

PARIS, Oct. 18.—The United States warned today that free nations must arm to meet "unknown danger" bred behind the Soviet iron curtain.

The warning was delivered by U. S. Delegate Warren Austin in a grave address before the United Nations political committee which condemned Russian disarmament talk as a "deceptive maneuver."

Austin told the delegates that until Russia lifts the secrecy that shrouds it there can be no real international security.

Will Seek Agreement

But he added that despite the dim prospects for a solution to the current atomic control deadlock, the U. S., desiring freedom and liberty for all, will continue striving for agreement.

He was heard in silence by Soviet Delegate Jacob Malik, who sat impassively through the long and impressive speech.

Austin was followed to the speakers' rostrum by former French Premier Paul Ramadier, who endorsed America's atomic stand.

After India pleaded for an atomic compromise, Malik took the floor to ask for continued negotiations in the atomic energy commission, declaring:

"We should not give up in the face of difficulties."

Returns To Soviet Ground
But he promptly returned to familiar Soviet ground with an outspoken attack on the west for conspiring to place the world's atomic resources under the control of "United States monopolies." Malik (Continued on Page Two)

Senator Wagner Has Amnesia Attack

NEW YORK, Oct. 18.—(INS)—U. S. Senator Robert F. Wagner, 71, was resting today at the Islip, L. I., home of his son who described the senior New York lawmaker as "quite all right" following his 11-hour disappearance Saturday night.

The son, Robert F. Wagner, Jr., said his father had an attack of amnesia which was "only temporary."

'Kitty Hawk' Plane Enroute Back To U.S.

By TALBOT HOOD
(I. N. S. Staff Correspondent)

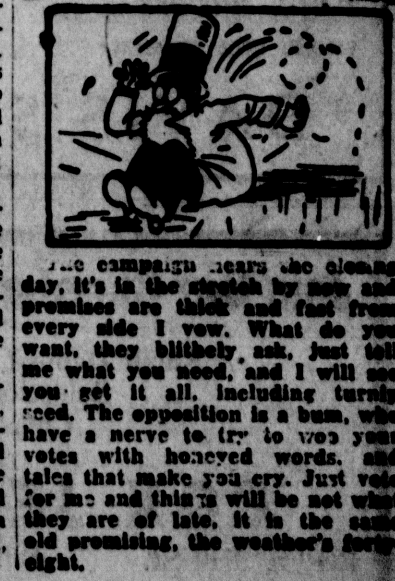

LONDON, Oct. 18.—An American veteran of the skies—the Wright brothers' ancient Kitty Hawk plane—today begins a journey from London back to Washington and the Smithsonian Institute.

In accordance with the wishes of the late Orville Wright—who with his brother Wilbur ushered in the age of flight on the North Carolina sand dunes—the frail craft is to be sent "home."

Today, in the presence of British Education Minister George Tomlinson, the Kitty Hawk will be carefully lowered from its place of honor in London's science museum. It will then be packed and crated for its ocean voyage to the U. S.

The plane was lent to the museum in 1928 by Orville Wright, after a dispute with the Smithsonian Institute. Orville objected to the institute's listing of the Langley plane as having preceded the Kitty Hawk in power-driven flight. As a result of the quarrel, (Continued on Page Two)

Legion Convention Gets Under Way At Miami, Florida

President To Speak Today; Other Candidates Will Also Be Heard

MIAMI, Oct. 18.—(INS)—An election-year political flavor spices the 50th annual American Legion convention which opens today in Miami.

President Truman is scheduled to speak this afternoon before an estimated 30,000 veterans of two world wars as the first of several political leaders listed to address the convocation.

Although Mr. Truman indicated his speech would be confined to matters of national defense, Republican forces apparently demanded a voice of their own before the Legionnaires.

Legion officials unexpectedly announced that Harold E. Stassen, president of the University of Pennsylvania, ex-governor of Minnesota and a frequent GOP spokesman, probably will address the convention Wednesday.

Gov. Earl Warren of California, Republican vice presidential candidate, also is slated to speak Wednesday.

State's Rights Democrats will be represented by South Carolina Gov. J. Strom Thurmond, but he said that he does not intend to address the convocation.

up army and air force reserve programs which have fallen behind the navy and Marine Corps.

The air force asked for the 10,000 veterans to serve as replacements overseas for men who have completed their tours of duty, whose enlistments have expired or who are in Europe on temporary duty.

It was explained that assignment of the men to the United Kingdom and western Europe will not increase the total strength of air force personnel in Europe.

Qualified veterans will be accepted for enlistment in grades commensurate with their skills and will receive 50 per cent extra in pay for service outside the United States.

Skills Needed
The air force said that skills needed include aircraft maintenance, radio, radar, communications and automotive equipment operators and repairmen.

Unmarried men up to 34 years of age who have been discharged more than 90 days will be accepted in all grades up to and including technical sergeant.

Discharged married men must qualify for grades of staff sergeant and technical sergeant to be accepted.

It was emphasized that families of men who desire to aid in the Berlin airlift cannot be sent overseas.

Washington, Oct. 18.—(INS)—President Truman took off from Washington in a cold driving rain early today for Miami where he will make a "non-political" address to the veterans of two world wars.

The president, in the midst of a fighting campaign for his own political survival, left Washington shortly after 6 A. M. EST and arrived in Miami between 10:30 and 11 A. M.

He speaks to the American Legion convention in the Florida city at 2 o'clock this afternoon.

Mr. Truman's trip to the south will combine the business of being president with that of a political candidate seeking election in November. He has two "non-political" speeches on his schedule.

In addition to his legion talk, the president tomorrow will make a second "non-political" speech in Raleigh, N. C. which will be followed later in the afternoon by a campaign address.

that a "non-stop air umbrella" is being maintained over the battle area by Jewish fighter pilots.

Tanks moved columns, and heavy artillery on both sides engaged in the bitter fighting.

The Egyptians were reported still fighting desperately in an attempt to recapture an important height which Jewish soldiers took early in the battle, creating a serious breach in the Egyptian lines.

Armored Columns in Drive
The exact location of the height was not specified by the Israeli communiqué. But it appeared that the Jewish drive was made up of a number of armored columns which thrust around key Egyptian bases in an effort to cut them.

One column drove a wedge through the Egyptian defense lines at Gaza, capital of the Arab regime which Egypt has sponsored as a claimant to the Holy Land.

Thousands of Arabs fled the city, 30 miles from the Egyptian border on the Mediterranean coast, as Jewish artillery and air assaults rained bombs and shells on the defenders.

regarded it as a "successful trip" for Dewey and as a demonstration that he is ready to go "down the line" for other party candidates in trouble.

This applied particularly to the GOP senatorial contests in four states—Kentucky, Illinois, Oklahoma and Minnesota.

Although it still looked like an uphill fight for Republican Senate contenders in Oklahoma and Minnesota, the Dewey camp felt the governor had proven his "regularity" by going to bat for these candidates.

That thinking was applied to the case of Sen. Joseph H. Ball (R), of Minnesota, who was warmly endorsed by Dewey in spite of the fact that Ball four years ago ditched the New York governor and declared for the late President Roosevelt.

Observers believed that Dewey's intensive speaking invasions of Oklahoma and Minnesota offset any party complaints from West Virginia and Tennessee against the governor's failure to go into these senatorial hot-spots.

been spearheading the small nations' drive to effect an east-west compromise on the Berlin deadlock.

Bramuglia last week put two crucial questions to the Big Four concerning the Berlin blockade, asking for answers by Tuesday when the council re-convenes.

The western Big Three agreed to supply answers, but Vishinsky refused, creating a good deal of ill-will among the small nation members of the council.

May Have Supplied Report
Diplomatic circles expressed the belief that the Soviet delegate may have visited Bramuglia today to supply him with the Russian responses to the questions, in an effort to dispel the unfavorable impression made last week.

Bramuglia will meet later today with the western representatives, presumably to receive their replies to the questions, which were:

1. What was the exact method whereby the Berlin blockade was imposed?

2. What was the nature of the Moscow agreements of Aug. 30 on Berlin, and why were they not carried out?

Thumb-sucking is one of the most common of childhood habits and not as harmful as it has been pictured.

HARLEY-BULLOCK

WEDDING AT HOME

At the bride's home on Saturday morning, October 16, Miss Betty Harlowe, daughter of Mr. and Mrs. Louis W. Harlowe, of R.D. 2, and Howard B. Bullock, son of Mr. and Mrs. Earl Bullock, of Mt. Vernon, Ill., were united in marriage.

Rev. George Meyers, of the New Wilmington Methodist church, officiated at the double ring ceremony at 10:30 o'clock in the presence of the immediate families and a few close friends.

The bride wore a royal blue crepe street-length dress and a corsage of orchids. Following the ceremony a breakfast was served to the assembled guests.

Mr. and Mrs. Bullock left on a motor trip to the Pocono Mountains and the Finger Lake region and will continue on to Arlington, Va., where they will be at home after October 23.

Mrs. Bullock, a graduate of New Castle high school and Grove City college, attended the University of Pittsburgh for graduate study and served three years in the WAVES. She is with the Central Intelligence Department of the United States in Washington, D.C.

Mr. Bullock, who graduated from the Mt. Vernon, Ill., high school and is studying toward a master's degree at Georgetown University, served in the U. S. Army for five years, is with the Foreign Communication division in Washington.

MABELLE SCHUNK'S

ATTENDANTS NAMED

WOMEN-HARRIS

EVENING WEDDING

An impressive ceremony marked by its simplicity, united in marriage Miss Geraldine O'Neil Womer, daughter of Mr. and Mrs. Lewis Womer, of 513 1/2 Blaine street, and Donald Roy Harris, son of Mr. and Mrs. Rupert W. Harris, of 1808 Highland avenue.

The candlelight ceremony was solemnized in the Highland U. P. church, Friday evening, October 15, at 7:30 p. m. The young couple exchanged vows before an altar embellished with palms, ferns and tall candelabras. Dr. J. Paul Graham, of the Third U. P. church, officiated at the double ring ceremony before a large gathering of friends and relatives.

The bride was attired in a white satin gown fashioned with a tight bodice, folded shoulder yoke, long sleeves and a full hoop skirt. Her fingertip veil fell from a cap effect headdress trimmed with seed pearls. She carried an arm bouquet of white roses and her only jewelry was a single strand of pearls, gift of the groom.

As her only attendant, her sister, Mrs. James Groves, wore an ice blue gown with a hoop skirt and long sleeves. Her colonial bouquet was of pink and white rose buds.

Rupert W. Harris Jr., served his brother as best man and the ushers were Harold Moss Jr., of Warren, Ohio, cousin of the groom, and Robert Hawk.

Earl Hammond, soloist, sang "I Love You Truly," "Because" and "The Lord's Prayer," accompanied at the organ by Mrs. S. Glenn McCracken, who played a half hour recital preceding the ceremony.

Following the congratulatory period at the church there was a reception for over 50 guests at the home of the groom's parents. Aides were Mrs. Harold Moss Sr., and Mrs. George Pifer, of Warren, O. Mrs. Ward Covell, of Niles, O., aunts of the groom and Mrs. D. W. Leese. Mrs. Jennie Covell, grandmother of the groom, of Rock Creek, O., and Mrs. Joseph Jenkins, aunt of the bride, presided.

The newlyweds then left on a wedding trip to an undisclosed destination, and upon their return will reside, after October 22, at 324 Shaw street.

Mrs. Harris is a graduate of New Castle high school and is employed at McKee's Grocery Store, Boyles avenue.

Mr. Harris, a veteran of World War II, is also a graduate of New Castle high school and New Castle Jeweler's School. He is now in business for himself in this city.

DAUGHTERS OF 1812

PROGRAM-TEA GIVEN

New Castle Ferry chapter, Daughters of 1812, opened its year's activity with a tea in the home of the Misses Sarah and Viola Wallace, 215 Meyer avenue, on Saturday afternoon.

"The Turn of the Century" was the topic of a paper presented by Mrs. Marvin Edmore as a most enjoyable highlight of the afternoon's program.

In answer to roll call each member mentioned a current event. During business, with Mrs. A. T. Eckles presiding, there was discussion of the year's project, collecting old family Bible records, to be bound in book form later. A letter was read from the chapter members, Mrs. Nellie B. Brooks, of Chico, Calif.

Devotionals were led by Mrs. W. H. Weinschenk.

Dainty refreshments were served from a lovely tea table centered with fall flowers. Mrs. W. H. Lunkart aided the hostesses.

In November the group will meet with Mrs. Fred Donaldson, Highland Heights.

OPEN HOUSE MARKS

GOLDEN ANNIVERSARY

Mr. and Mrs. Jacob C. Hetrick, of 772 Arlington avenue, who are observing their golden wedding anniversary today, celebrated with an open house reception for friends, relatives, and neighbors, Sunday, October 17, in their home, 2 to 4 o'clock and 7 to 9 o'clock.

Mr. and Mrs. Hetrick have lived in New Castle all their lives and are celebrating their fiftieth anniversary in their home where Mr. Hetrick has lived since one year of age.

The home was beautifully decorated with fall flowers. The table was centered with a three-tier wedding cake, a large bouquet of gold mums and silver candelabras. Aides were Mrs. Robert Reynolds, Mrs. Edwin Ayers and Mrs. Joseph Jaworski. Mrs. George Reynolds and Mrs. Thomas Evans, of Boardman, O., poured.

A special guest was Mrs. Alex Foster, of Pittsburgh, who was a bridesmaid in the Hetrick wedding party 50 years ago.

Approximately 150 friends, relatives and neighbors called at the home Sunday and the honored couple were the recipients of many lovely floral pieces among which was an orchid corsage, gifts and cards.

Also present at the reception were the Hetricks' two children, Mrs. William Mayer, of New Castle, Chester E. Hetrick, of Oakmont, Pa., and six grandchildren. Saturday evening Mrs. William Mayer and Mrs. Chester Hetrick gave a family dinner for the honored couple in their home, with the immediate family present.

In View Of News Of The World

By J. C. OESTREICHER, INS Foreign Director

To his long list of dramatic experiences, Andrei Vishinsky now can add a first-hand description of what it means to offend the dignity of an Argentine gentleman.

The Soviet delegate to the United Nations incurred the outspoken wrath of Security Council Chairman Dr. Juan Atilio Bramuglia by accusing the so-called "neutral" powers in the Berlin blockade dispute of trickery.

He was referring to Bramuglia's request for details from the four powers concerned on the grounds that nations not represented in the occupation of Germany have a right to know the exact situation.

And when Vishinsky replied by accusing Bramuglia of holding out a piece of fly-paper on which the Russian refuse to get stuck, Bramuglia went into what must have been a towering rage.

Rebukes Vishinsky

His rebuke to Vishinsky, was couched in polite diplomatic phraseology and his voice maintained its even, legalistic tenor. But his words were harsh. He said it was not "permissible" for member nations to make the insinuations that Vishinsky did.

Bramuglia took the rough edges off only at the end when he said he believed Vishinsky's words were carried away by his own oratory.

Observers believed that the United States and other western delegations on the council are privately pleased that Bramuglia happened to be chairman at this particular time.

Paul Henri-Spaak of Belgium can use strong words, but he is by nature a jovial man. Others too are inclined to be soft-spoken and more or less easy-going in a crisis.

Reacts With Vigor

But Bramuglia, by his nature and his nationality, was bound to react with tremendous vigor.

To offend what the Argentines call their "dignidad" is something that just is not done.

In the case of Dr. Bramuglia the proud natural tendencies of these people are intensified by the position he holds.

He not only is delegate to the Security Council but he is the Foreign Minister of Argentina, and the regime of President Juan D. Peron in Buenos Aires can be identified by the magnificent manner in which its top government officials live.

With his appointment, Bramuglia was given the use of one of Buenos Aires' most beautiful palaces. It was built by a multi-millionaire as his own private residence and acquired by the government as a fitting place for the foreign minister to receive diplomats of other nations.

Visitors to this palace invariably come away awestruck with astonishment over its lavish brilliance—its priceless tapestries, museum-piece rugs and antique furniture worth a ransom.

Most of Bramuglia's early life was spent in Argentina. He was one of his country's most prominent labor lawyers before his political acumen carried him into high international position.

He fit easily into the magnificence of his new surroundings. Newcomers who had contact with him at Buenos Aires, Lake Success or in Paris invariably were impressed by his grace and culture.

There are reports in Paris today that Vishinsky's action in questioning Bramuglia's motives had done the Soviet cause more harm than anything else could have done.

These reports say that the western powers now will stiffen their attitude and will receive from the Kremlin a more realistic picture.

Looking At Life

By Erich Brandeis

You may remember that last week I told you about the invitation to the Cranberry Festival, and promised you that I would go, and tell you all about it.

I had never seen a big red cranberry and a little white hen getting married and having seen many, many things in my years as a newspaperman, naturally I was anxious to see something new.

But it really wasn't anything new.

It was just another version of a stunt I pulled 30 years ago when I was doing press work for the Yosemite National Park people.

For some reason or other, people are always interested in weddings, so I thought it would be good publicity for the Yosemite if I staged a wedding at the foot of Bridal Veil Falls.

I got a couple of the vacationers to act as bride and groom and another one to pose as a justice.

We announced the event with great fanfare, we made bridal bouquets out of Sierra mountain wild flowers, we took pictures and we had stories about this unique wedding all over the country.

Well, so far so good. It just happened, however, that the fellow who has been my groom-for-a-day was already married but had left his wife at home. She read the story and saw the picture in her paper and, thinking that her husband had been trifling on his vacation, promptly went home to mother and started a divorce suit.

Then he got mad and started to sue the Yosemite Park people. The girl I had used for a bride for the occasion was a school teacher and when her home authorities saw her picture and the story in their paper they fired her and she brought suit against them.

The thing is sort of hazy in my memory now, but if I am not mistaken, everybody brought suit against the Yosemite people and the one thing I remember very distinctly is that I got fired.

None of the suits ever came to trial and I presume that after full explanations were made all around everybody lived happily ever after.

But I stayed fired, and, in all by newspaper years to come, I never monkeyed with weddings again.

Well, that cranberry wedding wasn't that kind, I hope.

I didn't stay for it. It reminded me too much of so many other similar affairs I had seen such as you can also see at every county fair.

They had a girl dressed up as a hen for the bride and a fellow with a seasonal facsimile of a can of cranberries as his bridal suit.

The whole idea was to remind the people at the festival, and you and you and you who read your newspapers, that you should not confine your cranberries just to Thanksgiving and Christmas and to turkey alone.

Cranberries are also delicious with chicken, and chicken being eaten so much oftener than turkey the cranberry press agents thought it very clever to have this wedding of the little white hen and the big red cranberry as a symbol of a perfect union.

This column didn't turn out to be very much of a story about the Cranberry Festival at Edwille, Mass., but neither did the cranberry Festival offer much material for a story.

Frost Is On The Pumpkin

Washington Comment

(Special To Central Press)

WASHINGTON, Oct. 18.—GOP presidential candidate Thomas E. Dewey, with the thoroughness characteristic of his campaign, already has decided on some of the key members of his cabinet in event of his election Nov. 2.

It long has been indicated that Dewey would appoint John Foster Dulles, his long-time foreign affairs adviser, as secretary of state. Dulles' flying visit from Paris to Albany to confer with Dewey, who reported that Senate Foreign Relations Chairman Arthur Vandenberg would get the post.

High GOP sources say Dewey has promised Harold E. Stassen the post of secretary of defense. Herbert Brownell, Jr., Dewey's campaign manager, is slated to be postmaster general. Senator Homer Ferguson (R) Michigan, an investigator in the Senate, is being considered as attorney general.

Armed Forces Budget Slashed

Regardless of the outcome of the presidential war, there's going to be a deep cut in the national defense budget next year.

The nation's defense chiefs already have agreed they'll need in the neighborhood of 15 billion dollars for the year starting July 1 and that's the figure President Truman will send to Congress in his annual message next January.

But on the receiving end of the

estimates is economy-minded John Taber (R), New York, chairman of the House appropriations committee.

Taber, who believes there is not going to be another war, at least not in the foreseeable future, is going to hack away at the combined Army, Navy Air Force figures with what he terms "a meatax." He has the backing of Senate policy leader Robert A. Taft (R), Ohio.

Down To The Sea—The Navy and the Maritime commission on the one hand and the State department on the other currently are reported to be in a no-holds-barred battle over whether America's supremacy in merchant shipping should be maintained at all costs.

The State department takes the view that America can't compete in the long run, because United States merchant seamen must be paid double or triple what others draw to prevent them from seeking more remunerative jobs. State says we can rely on friendly allies for shipping.

Navy and the Maritime commission take the opposite view that no country is completely defended if it has to rely on another nation for such a basic essential as ocean transport. They want to subsidize the merchant marine as much as may be necessary.

Unless Congress can be agitated into doing something about it on a big scale, it seems likely that the State department view will prevail.

Mystery Lifted—John L. Lewis finally has lifted the curtain which concealed the status of the catch-all District 50 of his United Mine Workers union.

For many years, UMW officials flatly refused to discuss the activities of District 50 or reveal what success it had had in organizing outside the coal fields.

Now the union has disclosed that District 50 has a membership exceeding 200,000 in more than 1,600 local unions and is the largest district in the UMW.

Several months ago the UMW chief ordered a shake-up and put it under the wing of his brother A. D. (Denny) Lewis. Denny was given the assistance of a lot of seasoned mine union officials and apparently District 50 is embarked on an all-out expansion.

Nothing has been heard recently from the vegetarian restaurant man who is running for president. While others toss words he apparently is still tossing salad.

But of all the eight hopefuls he is the most certain of where his next lecture is coming from the day after election.

Truman Caused Real Scare

By PAUL GALICCO

Thinking Aloud has refrained from public cogitating on the political campaign, in these many weeks because said campaign has been getting along very nicely without any advice from me.

I must say I had the pants scared off me last week when President Truman came close to upsetting the apple wagon by sending another supplicant to Moscow with his hat in his hand, and I rushed to the typewriter to save the nation but realized Secretary Acheson had the situation well in hand and would have it cleaned up before I could get into print, and so called off the four alarm.

These Are Nervous Days

Still one cannot refrain from remarking that these are very nervous days, especially as far as the administration is concerned, with the boys in Washington inclined toward a kind of hysterical reactionism as the election draws nigh, and Harry Truman bounding around the country purring a gummed-up cause, instead of attending to business.

I don't know about you, but I find myself wishing fervently that Mr. Truman would take it easy and play out his string, and let up scrambling a lot of eggs that the incoming administration will not be able to unscramble and get back into their shells. You know how it is—you're a private citizen attending to your business and trying not to worry too much when all of a sudden you read something in the papers and it hits you like a ton of bricks and you say, OW! This is my life, and my future, and my family these Johnnies are monkeying around with to get themselves elected

Plaything Of Fate

So then you start mumbling and grumbling to yourself the way I am doing here and wish you knew what to do about it and in the end you realize that you are but a Plaything in the Hand of Fate and that nothing remains but to grab for that rabbit's foot and get lucky.

You get the idea that maybe there ought to be some kind of interim machinery set up to govern the country for the last six months of the election year, from July to January when the new boss takes over or the country turns itself back to the old one, sort of a bi-partisan executive board made up of the smartest chaps in the Senate. Then, the President could go hitting around the country making campaign speeches to his heart's content. And at the same time it would stop him from playing politics with the destinies of the citizens and gently but firmly remove the monkey wrench from his fingers. What you ain't got hold of, you can't throw (old back-country proverb).

And So It Goes

And so it goes when you get to thinking aloud. You read a lot of stuff in the papers and you wonder just who buys it. People write that we are in the hands of the militarists, that the Army and Navy boys have taken over and are making us give up our old ways of life in which we were a non-military nation which could call citizen armies into being—always provided we were given the time to do so.

But you don't find these same fellows writing that the Soviet Union is a military nation with more men under arms today than any three other nations combined and that this nation has avowed its intention of destroying us.

Won't We Ever Learn

I dunno about you, but when there's a fire-bug loose in the community, I want the cops and the firemen handy and not school teachers and essay writers. The time for the teachers and school boys to have gotten in their work was twenty-five years previously when the anarchist was an innocent little baby with never a thought of pouring gasoline on the doorstep of the community meeting house and touching a match to it.

When the Russians attack us we will be hollering to the Army, Navy and Air Force to stop them. Is it militarism or common sense for those services to prepare to oblige and demand the wherewithal? What makes me think the Russians are going to attack? Look at 'em. Listen to 'em. Won't we ever learn?

JOBS UPON A TIME

MOTION PICTURE ACTOR

John Wayne once stowed away on a boat going to Honolulu and earned a few dollars picking apricots. Subsequently John was a truck driver, ice man and stage hand. He is 6 feet 4 inches tall and weighs 200 pounds, and was named all-American football player at the University of Southern California in 1929. His chance in the films came when Raoul Walsh saw him carrying a table onto a movie set, and that was nine years ago. John really hit his stride in the picture "Back to Bataan." He's married to a Mexican girl—Esperanza Bour.

HERVEY ALLEN is best known to most readers for his best selling novel of 30 years or so ago, "Anthony Adverse." Historical novels are his particular forte. Allen was born in Pittsburgh, attended the United States Military Academy, University of Pittsburgh and Harvard, served in World War I, and was wounded in action. He has been an English instructor in high schools, lecturer at Columbia University and Vassar college. His first novel was "Wampum and Old Gold," and his most recent is "Toward the Morning."

Object Of Curiosity

What should one say to a child? Usually if one lets him alone and acts toward him as if he were the person he really is instead of some object of curiosity, he will begin to talk on his own accord. If he is doing or making something, one can induce him to talk by being appreciative of his possessions and activities, being careful never to talk down to him or make him feel one is treating him as less grownup than he is.

If you feel you must talk to the young child whom you don't know well or never met before, ask him the name of a playmate, or what he enjoys most when he is alone, or about the playthings he has or the stories he likes most to hear. The child from six to twelve may choose to tell you what he likes to make and do for fun or to show you something he has constructed or created in some other manner. There is no better way to reach the heart of a child than through appreciation of what he has done with his hands, and this may be true of the child right through his teens. If you can win an invitation to his workshop you need

Hints On Etiquette

When you ask a favor of a friend—a letter of introduction, a reference, etc., don't forget to let the friend know—by note or telephone—the result of his efforts to help.

BIBLE THOUGHT

Even so faith, if it hath not works, is dead, being alone.—Jas. 2:18.

Recently the Soviet government offered a prize for a monument design to the great Russian poet, Pushkin. None was satisfactory. Finally, on second call a design showing a great figure of Stalin reading a small volume of Pushkin's poetry was submitted. It won.—Exchange.

HEADING FOR SHOWDOWN

Russia's refusal to entertain the offer by the neutral states to mediate the Berlin crisis leaves the United States and the rest of the world exactly where they were on August 30.

On August 30, it will be recalled, the last hope that an arrangement could be reached by direct negotiations was suddenly dissipated. That was the day when the Soviet, after agreeing to lift the Berlin blockade, demanded without warning that it be granted concessions which had not been previously mentioned. Under the conditions it was all too evident that Russia simply did not want to do business with the Western powers.

So the United Nations now has no alternative to taking up the matter. This is unfortunate on at least two counts. In the first place, it will widen and accentuate the split between the Russian bloc and the other countries. In the second place, it will impose upon the United Nations a duty it is not equipped to discharge in an effective manner. The only result will be a further weakening of the organization's prestige.

But there seems to be no other step that can be taken, though the Soviets will pay scant attention to any decision that the UN will reach. But if, as expected, the verdict is against Russia, it will at least be clearly recorded on the world's conscience.

Not that any intelligent American has been in doubt, but in psychological warfare such maneuvers are important.

AN "EASTERN UNION"

From Prague comes word, attributed to "reliable sources" that there will soon be an "Eastern Union" in Europe to counter-balance the Western Union created by the recent Brussels Pact. It will be made up of Poland, Czechoslovakia, Hungary, Romania, and Bulgaria—and the Russian zone of Austria may be added.

This report is a little hard to credit, in view of what happened when Bulgaria Premier Georgi Dimitroff proposed a Balkan federation a year ago. Moscow promptly slapped him down and nothing more has been heard on the subject from any official source in the countries concerned. What has been rumored in Prague, then, is that the Soviet is about to change its policy toward its puppets.

But the new "Eastern Union," according to the dispatch, would be primarily aimed at closer economic cooperation rather than at military defense. This sounds as though Russia, having succeeded in setting up Communist regimes in the states along her western border, is prepared to let these countries work together toward recovery—but not join forces for security. The Kremlin may consider that there is not much danger in permitting an advance toward economic unity so long as they are kept militarily divided.

Still, if that is the case, the new grouping will not weigh quite as much in the scales of power politics as the Western Union does. It will amount to a tacit admission that Russia is unwilling to trust her satellites with the strength they would have if they were associated together in a military alliance. Since that is so, it will not be a threat to western Europe if it does come into being.

TO BRIDGE THE GAP

It has been apparent for some time the next three months are going to be an extremely critical and dangerous period in the conduct of this country's relations with the rest of the world. The certainty that a new President is going to take over in January makes it extremely difficult to maintain a firm and decisive policy in foreign affairs.

The one thing which makes it possible for the State Department to function at all is the fact that both major parties are giving their solid and consistent backing to a bi-partisan foreign policy.

The danger that this common front will break down during the heat of the election campaign now seems to be over, despite the fantastic Vinson affair. Mr. Dewey has kept his head. Mr. Truman, it is to be hoped, has been sufficiently chastened by public reaction to this inept and irresponsible move. However, it is still necessary to find some way to maintain a strong and sure hand in American foreign policy between November 2 and next January 20 when the new President will be inaugurated.

This is something that can hardly be settled until the election returns are in. Whatever his prospects, Mr. Truman cannot be expected to concede his defeat in advance. But he and Mr. Dewey can and should get together with their advisers, immediately after election day, to work out a plan to bridge the gap between the outgoing and incoming administrations.

With the presidential campaign a-fundin' and a-fusin' to a frenetic finale, can the world's wallow of woe be far behind?

A Florida naturalist has announced that the hummingbird is a thoroughly impractical creature. Eventually man will know everything.

The World and the Mud Puddles

COST OF STEEL

There has been great turmoil, official and unofficial, about the rise in steel prices and its probable effect on the national economy. The least intelligent citizen recognizes that steel prices affect almost everything the consumer buys, from tractors and wire fence to gas stoves and refrigerators.

Unfortunately, the emphasis on rising steel prices overlooks some factors in the cost of making steel. The steel industry reports, for example, that the "last round" of wage increases to steel workers will cost the country at least one hundred seventy-five millions a year.

A factor ignored by too many persons in considering the steel situation in this: Not only the increased wages of steel workers must be taken into account, but increases in other wages tributary to the industry.

Mounting Expense

A steel company report lists these items as mounting in expense during 1948: Iron ore, coal, brick, aluminum, zinc, tin, lead, nickel, scrap, ingot molds, fuel oil and ferro-silicon.

These additional costs are apparent on the surface to the casual reader. But only a few readers recognize that the added load of wage increases goes all the way back to the ore mine, the transportation of ore, the mounting price of coal. One steel company declares that the total increase in the cost of producing steel has reached a half-billion dollars since the first of this year.

In the face of these statements of increased costs in steel production, what can it avail if the national administration should undertake to impose price and wage control? The experiment would not be only foolish, but disastrous.

The analysis of steel prices, must reach down to the bottom. It must include every wage raise and every cost raise from the ore mine to the finished transported product. It might be a good idea, instead of heaping demagogic accusations on the steel industry, to give the steel-makers time to adjust themselves to the new scale of costs injected into the picture during the last few years.

'Fun For You' To Be Given By B.P.W. Club

Local Talent To Participate In
Variety Show October 27-28;
Contests Planned

"Fun For You" is the name of the big variety show, now being cast, to be presented by the Business and Professional Women's club of New Castle, for the benefit of their social service projects. The show will be staged in the George Washington Junior high school auditorium on Wednesday and Thursday, October 27-28.

Written for laughs and variety, the show is a new idea in amateur production not only because local people who make up the cast not only impersonate radio, stage, and movie stars, but because the show gives the audience an opportunity to participate.

Scenes in the show include take-offs of such popular radio programs as the Quiz Kids, Singing Commercial, Dr. I. Q. Quiz Show, Tom Brennan's Breakfast in Hollywood, and a Treasury Star Parade.

Prizes will be given out to members of the audience in the quiz show and the variety scene numbers.

To Feature Rockettes
Specially costumed choruses featuring high school girls as the Roxy Rockettes and the Earl Carroll girls add a colorful and tuneful note to the show.

In conjunction with the production there will be a baby popularity contest for youngsters up to six years of age. The contest will start Wednesday, October 28, and closes at 4 p. m. Thursday, October 29. Winners will be presented on the nights of the show. Information about entering children may be secured from Miss Beth Shearer, director of the production, at the Y. W. C. A.

Al Francis will take the part of Harry VonZell for the show and James Cavill will impersonate the late Tom Brennan.

"Good, Good Neighbor" Award
In connection with the Tom Brennan show, a "good, good neighbor" award will be given as it was on the regular Breakfast in Hollywood program. Good Neighbor letters may be sent to the "Good Neighbor Contest" in case of The New Castle News, to be forwarded to show committee. Hats worn by ladies in the audience will also be judged in a special contest.

Ticket chairmen are Miss Dorothy Long and Miss Helen Keeler and tickets have been placed in the hands of all B. P. W. members.

Miss Mary Bigley is chairman of the finance committee in charge of arrangements; Miss Virginia Pierson is talent chairman.

THE FAMILY SCRAPBOOK

By Ernest G. Osborne

WHY NOT TRY THIS?

"My Own Schedule"

Some children, who have a lot of trouble doing things on time and cause worried parents a good deal of grief, can work things out by having their own schedules. Often, we parents keep after the youngsters, hoping that they will eventually learn to get to school, to bed to music lessons and to all sorts of other places on time. But nagging and scolding or even "gentle" reminders don't seem to work too well.

With the help of the child, a typed or neatly printed schedule can be worked out. It should include such important items as: 7:00 a.m.—out of bed and start dressing; 8:00 a.m.—breakfast served; 8:30 a.m.—help clean up dishes; 4:00-4:30 p.m.—piano practice; 4:30-5:30 p.m.—free time; 5:30-5:45 get ready for supper, etc., etc.

If the youngster can have a real hand in determining what should go on the schedule, and be allowed, after consulting parents, to make necessary changes and be largely left on his own in following it, there is a good chance that his own schedule will be fairly well followed.

What They Say Of Chest Drive

CHARLES M. BASHEW

Manager, Sears, Roebuck Company

Let's look at the facts. In supporting the Red Feather services

through the Community Chest, we are not "giving"; we are buying

service for ourselves and our neighbors. Just as we buy police and

fire protection, just as we buy welfare and health services which

are equally needed by the community. A contribution to the

Community Chest buys character-building services for families

threatened with discord. This is the principle of insurance, carried

one step further; we buy protective services, now, to prevent social

disaster which may cost more money later.

No one would want to live in New Castle if these thirteen Red

Feather service organizations were not in this town.

City Hall

Reports County Purchases Site

Council Hears That Seventh Ward Recreation Site Is Bought From County

OTHER NEWS OF COUNCIL ACTION

When council assembled in formal session in city hall Monday, the city solicitor, Robert Jamieson, reported to council that the commissioners of Lawrence county this morning, had sold to the Lawrence County Farm Bureau Cooperative association, a plot of seven or eight acres in the seventh ward, which the city desired to retain as a recreation field. The association offered a bid higher than that of the city which was willing to pay the taxes due, said to be about \$3,500.

Council was presented with a communication from the Seventh Ward Civic club, in which the club said it sympathized with the recent protest of the city against its sale. The club said they desired the plot retained as a playground and recreation center, and also said they also would make a protest to the County commissioners.

The plot is located south of the P & L B B C, east of Lafayette street, north of Rabbit street, and west of the Shenango river.

It was pointed out by council that if the canal was ever to be built, the plot lies in its path, and the county would have to buy it back and also pay damages for any building situated thereon.

The sale must be confirmed by the court.

However, the city still has the opportunity to condemn and take the land for playground and recreation use.

STATE TO BRIDGE CREEK

State department of forests and waters, Harrisburg, today advised the city of New Castle it would assume the cost of dredging the Neesham creek, between the South Hill and South Jefferson streets bridges, which is necessary for the proposed construction of a bridge, from Grove street eastward to a point near South Jefferson street. The city will bear the cost of disposing of the dirt excavated. The work will be done next spring or summer. The dredging cost will be \$10,750.

PAY SEMI-MONTHLY

Council had introduced an ordinance which will result in city officials receiving their salaries twice monthly, instead of once per month, as of now. The pay day dates were set for the fifth and twentieth of each month, or on the same days employees are now paid.

FIRE BOMBS DISCUSSED

There was a heated discussion concerning a proposed ordinance establishing primary and secondary fire zones, and also a non-fire zone. The bill has not yet been completely drafted by Solicitor Robert White and will come before the council again for introduction.

SUFFICIENT SIGNERS

City Engineer John Z. Street reported to council there were sufficient signatures to a petition, in which it was asked that Ryan avenue be widened, and a grade established, between Cananda street and Stanton avenue.

VIEW TWO LOTS

Streets Director James Gibson was authorized to view two lots in Bridge street, not yet zoned for municipal purposes, on which there is a total of \$97.50 taxes due to the city and council. The lots are necessary, council stated, for a central warehouse, and to also fit into the right of way for any possible state highway which may cross east to west through the city.

SOCIETY & CLUBS

BORDEN GUESTS AT CLASS RECEPTION

George R. Borden Sunday school class of the First Methodist church gathered in the church parsonage Saturday evening to welcome Mr. and Mrs. George R. Borden of Blaine, Wash.

There were a number of charter members present and the group spent an enjoyable time reminiscing on the many little instances encountered in organizing the first young married couple's class of the First Methodist church.

The Borden class was organized April 18, 1918 with Mr. Borden as the first teacher and later graciously lending his name to the group.

Mr. Borden related stories about state of Washington and his new home which overlooks Puget Sound. While residing in New Castle Mr. Borden was executive secretary of the local Y.M.C.A.

Mrs. Vennor Bright and Mrs. B. F. Steinbrink assisted the hostess in serving light refreshments.

Mr. and Mrs. Borden are houseguests of Mrs. Claire Brown, who was hostess at a lovely dinner in their honor at an inn in New Wilmington on Sunday.

Included among the guests were J. Carl Miner, present teacher of the class, Rev. and Mrs. James A. Gaiser, and charter members, Mr. and Mrs. G. W. Battles, of Springdale, Pa.

Mr. and Mrs. Borden are on an extended trip, coming east over the northern route, and after visiting relatives in New York and Florida, will return by the southern route to Hollywood where they will visit Mrs. Borden's former pupil, movie star Ella Raines. They expect to be back in Blaine by Thanksgiving.

Old Time Rehearsal

Members of the Old Time Rehearsal club will meet Wednesday afternoon at 12:30 for their annual chicken dinner in the home of Mrs. Kate Withers, of Walmo.

Section G To Sew

Section G of the Y. L. B. class of Third U. P. church will gather in the home of Mrs. Fannie Shirley, Butler road, for sewing Thursday evening, October 21.

Nora Landis Missionary

Nora Landis Missionary Circle of the First Baptist church will meet Tuesday evening, October 19, at 8 o'clock, in the home of Mrs. Jessie Joseph, of 106 West Garfield avenue.

Highland Church

Scene Of Men's Fellowship Meet

Heavy Weather Falls To Hammer Attendance Of Christian Fellowship Group Sunday

Rain which fell most of Sunday failed to dampen the spirits of the members of the Men's Christian Fellowship of Lawrence County which had its regular meeting Sunday in the Highland U. P. church. The men's Bible class of the church was host to the large delegation of men representing denominations from all of Lawrence County.

The program got off to a good start with a song singing led by Dave Boes. Grift Thomas was present and led the men in singing "All Hail the Power of Jesus Name" playing it to the diadem or Welsh tune. Esmel Branstetter was at the piano for the group and special singing. Special musical arrangements were made by various members of the group and by the audience as a whole.

The programs of the fellowship are unique in the fact that no preaching or long speeches are given, other than personal testimonies from the audience. The group will hold its next meeting on November 21, in the First Presbyterian church, North Jefferson street, while the December meeting is at the Epworth Methodist church.

Any male from a protestant denomination regardless of color or creed is eligible to attend the meetings.

HUNT FUGITIVES

HARRISBURG, Oct. 18.—(INS)—State police said today a 13-state alarm has been sent out for two prisoners who escaped from the U. S. Army Disciplinary Barracks at New Cumberland.

The fugitives were reported last seen on a train en route to York. They were identified as Glenn Huffman, 21, of Bluff City, Tenn., and Randall Chesser, 22, of McKeville, Ky.

St. Paul's Church Opens Program

Lutheran Congregation Begins Centennial Of Their Church On Sunday

Congregation of St. Paul's Lutheran church, Jefferson and Grant streets, opened the centennial anniversary of the founding of their church with appropriate services Sunday morning and evening. There was a large attendance at both services in spite of weather conditions.

Main Speakers
Rev. Walter T. Hempel, superintendent of inner missions, Reading, Pa., was the main speaker of the morning, when Lawrence H. Hare sang "The Earth Is the Lord's," as a solo. The church offered "I Sought the Lord," an anthem. "Melodie" was played as the offertory selection by Miss Ruth Weir, organist.

Rev. Michael Goldner, Alliance, O., was the speaker in the evening at 7:45 o'clock, when Mrs. Harry E. Barnes, choir director, sang "An Evening Prayer." "In Heavenly Love Abiding" was offered as the choir's anthem.

Wednesday Service
The observance will be continued Wednesday evening with a fellowship hour and get-acquainted service at 7:45 o'clock. Greetings will be given by visiting clergymen. Miss Elise Ridley will sing "Come Unto Me," while "Hold Thou My Hand," a duet, will be offered by Mrs. A. C. Dittler and Mrs. Barnes.

Sunday Services
The centennial celebration will close Sunday, Oct. 24, with a service at 10:45 o'clock in the morning and vespers at 7:45 o'clock in the evening. Dr. H. Reed Shepherd, president of Pittsburgh Synod, will speak in the morning. An evening of song and thanksgiving will feature vespers.

City officials of Springfield, Mass., voted to turn the street lights on 15 minutes earlier during the winter months until March 31, and to leave them on 15 minutes later in the morning, to partially compensate for loss of natural light.

Jewish Youths Conduct Party

Various Age Groups Also Feted At Saturday Evening Party At Temple Israel

A successful evening of games was conducted by the Jewish Youths on Saturday evening at Temple Israel.

Despite the rain, the party was well attended by various age groups to whom the youths served dainty refreshments. President Norma Davis was in charge to see if all details were running smoothly. Mrs. Emmanuel Shenkan captured the door prize.

The entertainment committee was headed by Phyllis Wolfe with Jack Hains and Shelly Cohen as master of ceremonies.

The appetizing food arrangement was carried out by Adele Strutin, Philip Greenberg, Marian Blau and Janet Wolfe. The party decorations were in charge of Edward Rinkin, Gerald Greenberg, Daniel Nixson and Carol Shenkan.

Wilda Pittner, Mary Ann Fisher and Ida Gerson were the arrangers for the publicity, prizes and other party details.

The clean-up corps headed by Harvey G. Gorden and Bobby Seligman were in charge of the clean-up. In this affair were Mrs. Maurice Davis and Mrs. Herman Plant.

Armed Police Sent Into French Coal Strike Zone

PARIS, Oct. 18.—(INS)—France ordered armed police today into the northern coalfields, where Communists have sought to halt safety measures in an effort to prolong the miners strike.

Interior minister Jules Moch, in a nationwide radio address, accused Communist union officials of "carrying out with blind obedience the instructions emanating from the Cominform in eastern Europe."

Moch, a Socialist, charged that the Communists did not have the welfare of French workers at heart but were attempting to use them "as pawns in the foreign chess-board to fight against the Marshall Plan and discourage United States aid to Europe."

He said the Communists were provoking "a downward plunge of our economy."

Moch characterized the Communist order as "criminal."

S-Sgt. G. P. Adams Funeral Thursday

Body Of Air Corps Man, Killed In
1945, To Arrive Here
Wednesday

The body of S. Sgt. George Paul Adams, 605 Court street, will arrive in this city from Columbus, O., on the Pennsylvania railroad at noon Wednesday, when it will be removed to the Cunningham funeral home, East Washington at Chestnut. S. Sgt. Adams, aged 20 years, was killed in action June 18, 1945, while serving in the Philippine Islands. He was a member of the air corps.

S. Sgt. Adams, son of Mrs. Myrtle Smith Adams, 605 Court street, and the late Ambrose Adams, was employed as a machinist at the Lockley Machine company previous to entering service. He was a member of the Alliance Gospel Tabernacle.

Survivors in addition to his mother include three brothers, Robert A. Adams, Erie; Charles H. and William J. Adams, both of New Castle. He also leaves eight sisters, Mrs. Avery Rigby, Price, Utah; Mrs. T. M. Constance, Draper, Utah; Mrs. George S. Filer, Mrs. Gene Roberts, Mrs. Edward Owens, Mrs. James Patton, Mrs. Roy Baldwin and Mrs. Wayne Hemminger, all of New Castle.

Funeral services will be conducted Thursday afternoon at 2 o'clock from the Cunningham funeral home with Rev. J. H. Boon officiating. Interment will take place in Oak Park cemetery.

Friends may call at the funeral home Wednesday evening from 7 to 9 o'clock.

Traffic Accidents Take Four Lives In Pittsburgh Area

PITTSBURGH, Oct. 18.—(INS)—The traffic toll in the Pittsburgh area over the week end was four. Thomas Russell, 44, former East

Pittsburgh councilman, was killed Sunday when his car crashed into a house after leaving the street at the end of the Westinghouse bridge in East Pittsburgh.

Three members of one family were killed Saturday by a car which left the road and struck them as they inspected trailers in Pleasant Hills.

Robert L. Qualters, 41, of Clairton, driver of the car, was charged with drunken driving following the

accident, and released on \$10,000 bond pending a hearing tonight.

The victims were Mrs. Mary Jarvis, 54; her brother, C. Raymond Wilson, 60, and their aunt, Mrs. Vivian Wilson, 70. Mrs. Wilson was of Washington, D. C.

Marian Jarvis, 30-year-old daughter of Mrs. Jarvis, was injured critically.

The average human body contains about two gallons of blood.

Darlington Church Sesqui-Centennial Planned Next Week

Pastorate Of Three Ministers In History Of Church Span Period Of 95 Years

Congregation of the Mt. Pleasant Presbyterian church in nearby Darlington is planning a week end celebration of the one hundred fiftieth anniversary of the church's founding with appropriate services to take place on Friday, Saturday and Sunday, October 22, 23 and 24.

Unique about the church history is the fact that three of its pastors during their service, constitute 95 years of the 150 years of service the church had given to the community. The first pastor of the church, Rev. Thomas E. Hughes was installed in 1799 and served for 32 years. Seven other pastors served the church until the installation of Rev. Henry N. Potter in 1870 who served for 42 years and then made pastor emeritus. Rev. R. H. Henry, the present pastor, began his ministry there in 1948 and has served continuously since that time.

According to early history of the church, in 1795, the Darlington area was wilderness. In 1796, pioneer groups came to the community from Mt. Pleasant, Westmoreland county, and by the next year, 1797, a church organization was recognized by the Presbytery and assumed the name Mt. Pleasant, taking the name from the Westmoreland county church.

Elaborate arrangements have been named for the sesqui-centennial celebration of the church which will attract many from the community and other districts. A tea was given this week in the home of Mrs. E. B. Duff, Darlington as an introductory event of the observance. Early missionary work of the church was recalled at the tea.

THE PARENT PROBLEM

(Continued from Page Four)

only to look and listen appreciatively and he will talk freely.

A skillful, appreciative guest may be able to bring out free, easy eloquent expression in a child of the home visited without asking many questions or any at all, though skillful questions may be fruitful.

Senses Attitude

Be the child three, twelve or fifteen, he soon senses your attitude toward him as a person. He gets it through the way you breathe, look and listen. He soon discovers whether you are sincere and honest with him.

You will, of course, be on guard against saying anything that would make him feel unworthy or inferior or that might make him suppose you would ever ridicule anything he would say or do. Taking such precautions, you would never make personal remarks about him or other people, as, for example, about a scar, color of hair, weight or size. Nor would you indulge in silly remarks about "your boy friend" or "your girl friend."

As you have observed certain adults with children and youths you must have been impressed with the way these adults win the child's confidence and bring out of them free and delightful conversation. I'm sure you easily discern in such gracious adults a genuine sincerity and appreciation of the child as a person. Such achievement is truly enviable. Some of the ideals of the foregoing appear in that prayer I wrote for myself as a parent, a copy of which may be had in a stamped envelope by writing me at 235 East 45th street, New York, N. Y.

Michigan Worker Killed In Blast

MELVINDALE, Mich., Oct. 18.—(INS)—One person was killed and at least two others injured early today when a blast shattered several buildings of the Michigan Consolidated Gas company at Melvindale.

The buildings were part of a plant where gas is both manufactured and stored.

Fire Follows Blast

The Melvindale fire department reported a fire which followed the explosion under control.

Killed was William Blasak, 26, of Allen Park, an employee of the company.

The two injured, both employees, are Joseph Gardynik, 26, of Garden City, and William Krentz, 23, of Wyandotte.

Krentz was released after treatment for minor injuries.

Cause of the explosion is not yet known.

Mission Convention Closes On Sunday

Despite inclement weather, the annual missionary convention of the Alliance Gospel Tabernacle, 210 Pearson street, came to a successful conclusion Sunday with approximately \$7,500 pledged to the work of foreign missions in the

Christian and Missionary Alliance

The convention which opened on October 10, brought to the city Rev. C. C. Ellenberger, missionary to French West Africa; Miss Agnes Brown, missionary to Ecuador, S. A., and Rev. G. A. Atcherson, Bible teacher and assistant district superintendent for West-

ern Pennsylvania of the Alliance.

The church pledged for the past year \$7,500 and overpaid the amount more than \$1,000, it was reported by the missionary treasurer.

Now! Eat All You Want and Grow Thin!

Doctors Prove by Actual Tests That This Delicious, New Kind of Vitamin Candy Helps Lose Weight

Yes—doctors say that this amazing, new kind of candy will help you to lose weight easily, pleasantly, safely. No dieting, no harmful drugs, laxatives, exercise or massage.

Just think of it! Eat this delicious candy, as directed, and lose that ugly fat. Meanwhile, you can eat all the other

food you want to and anything you want to. No worry about diet. No worry about what foods are fattening.

How AYDS Work

This Ayds way to reduce has helped thousands and thousands of women to lose weight easily and pleasantly. Ayds contains a different kind of sugar called dextrose. Dextrose, itself, is not fattening like ordinary sugar. And when you eat Ayds, you get this remarkable result: You have less desire for rich, fattening foods. In this way, you reduce caloric intake without suffering hunger pangs. Most amazing, the dextrose in Ayds is quickly consumed. This plan not only helps nature in consuming excess fat, but provides increased energy.

To help you further, Ayds contains valuable Vitamins A, B, C and D, Also Calcium, Phosphorus and Iron. The result is that when you eat Ayds as directed, you not only lose weight, but you should actually feel better, more alive, healthier.

Money Back Guarantee!

So many thousands of women have obtained such remarkable results by following the Ayds Plan that we make you this offer: Get Ayds today! If you don't lose weight with the very first box, your money will be gladly refunded. Ask for Ayds at your drug or department store.

Above—Miss Thelma S. Galt, Cleveland, Ohio, after following the AYDS Plan. Right—Before Taking AYDS

"As you can see, I not only lost weight . . . I also lost inches," says Miss Galt. "I now weigh 127, formerly 155. I feel much better, and I am proud of my 'AYDS' figure."

33 Days Supply \$2.99

Here's Proof Positive That the Ayds Plan Works

The amount of weight lost by women who follow the Ayds Plan has actually been measured by doctors in a series of carefully supervised tests. These clinical tests were supervised by eminent physicians with over 100 women. They proved that weight was safely reduced with Ayds—easily and pleasantly. Yes, too, should obtain the same results.

And Vandalism**

Mayor John F. Haven today issued orders to Police Chief Robert D. Hanna to have police stop speeding and vandalism in the city.

His Honor said the time for talking has passed and the time for action is here.

As a result cruiser cars were sent out this morning to prevent speeding.

The mayor said speeding was prevalent in Cedar street, East Washington street, Highland avenue, Croton avenue and Wilmington avenue.

"No one need come to me for leniency. If their rate of speed is greater than 30 miles an hour, they'll lose their driving privilege. If it is less, they'll have to pay a fine before an alderman," he remarked.

Regarding vandalism he said that it is more prevalent on the North Hill than elsewhere in the city.

The mayor said he had received a report that some youths had hunched on a North Hill door, and when it was opened, threw into the house a tomato which ruined the paper in a dining room.

"Such offenses cannot be condoned. If the culprits of damaging stunts are caught they'll be fined, instead of lectured," he reported.

He also said plainclothesmen have been assigned to apprehend vandals.

Good Taste

"I am planning a 7 o'clock wedding—a double ring ceremony. My attendants will include a maid-of-honor, two bridesmaids, one flower girl and a ring bearer. Should there be an usher for each attendant? Will you also tell me in what order they should walk into the church? Also what should be a menu for a reception at that hour?"

Answer: Although it is not necessary to have a ring bearer (most brides dispense with this attendant), it is proper to have one and he does carry the bride's ring in the case of a double ring ceremony, both rings.

Two ushers will be sufficient, unless the number of guests and the size of your church warrant more. It is permissible to have a greater number of ushers than bridesmaids.

This is the order of the processional in a church wedding: At the first sound of the wedding march, the bridegroom, the best man and the clergyman leave the vestry where they have been waiting for fifteen minutes and proceed to the altar rail where they await the bride's presence at the altar.

The bridal party forms in the

vestibule for the processional. As the wedding march begins, the ushers go to the rear of the church (having seated all of the guests) and head the processional. They march up the aisle two by two. Four paces behind, come the bridesmaids also marching four paces apart. Next comes the maid-of-honor alone; then the flower girls (if any). At a double distance, comes the bride on her father's right arm.

If there is a ring-bearer, he should walk between the maid-of-honor and the flower girls. If there is a page, he should follow the bride to hold up her train. The ring-bearer carries the ring stitched lightly to a white satin pillow. He should carry both rings when there is a double ring ceremony. Usually there are

Ward Church Has Home-Coming Sunday

Folks Present From Many Points:
 Charter Members Honored:
 Special Afternoon Service

At Madison Avenue Christian church there was a large attendance Sunday for "homecoming" services. Folks were present from Warren and Miles, O.; Pittsburgh, Sandy Lake, Illinois, Mercer, New Wilmington, Portersville and state of Washington.

A splendid dinner was served at noon following the Bible school, and preaching and communion service in the morning; also supper at 5:30 in the evening in the dining room.

At two in the afternoon there was a special service, when J. Franklin Baxter of Sandy Lake, a former pastor, made the main address on the subject of "Prayer". Robert L. Smelser, pastor, brought greetings from the church to those assembled. He also led the group singing. Three letters of greetings were read from Rev. Clyde Roland of Illinois, a former pastor; W. Robert Park, yeoman 1-c, a former Bible school superintendent, now stationed at New Orleans, La., and Clyde Shaw and family, Los Angeles, a former member.

A number of beautiful bouquets decorated the rostrum, given in memory of departed members. Charter members, Mrs. Ada Robinson, Mrs. E. A. Jones and Mrs. John W. Jones, were honored, and each presented with a bouquet of flowers. Mrs. Robinson is the oldest living charter member.

Dinner committee was Mrs. Russell McConnell, Mrs. J. B. Comstock, Mrs. Herb Mullen, Mrs. J. B. Bumbaugh, Mrs. E. H. Park, Miss Frances Hammond, Mrs. George Huff, Program, Mrs. E. M. Jones, Mrs. Leslie McCracken, Reception, Mrs. J. W. Jones, Mrs. E. A. Jones, Mrs. Stewart Hunt, Mrs. J. B. Moore, Mrs. S. E. Park, Coffee, Stewart Hunt, Victor Flack, Robert Stevenson, Publicity, Miss Ann McHattie, Mrs. Lucille Ruehle and Mrs. Fannie Hutnick.

Week's Schedule Of Ward Churches

Mahoningtown Presbyterian: Thursday evening at 7:45 a delegation of young folks of the church will attend the Christian Endeavor convention at Central Presbyterian church. At eight o'clock Thursday evening there will be a combined meeting of the Opportunity Circle and M. E. G. auxiliary in the church.

Mahoning Methodist: Tuesday evening the Signal Light Bible class will assemble in the church. Mrs. H. L. Frey's unit will be in charge. Wednesday at 7:45 p. m. the pastor will begin a series of

mid-week meditations on "Upper Room Thoughts". The Youth Fellowship group will have a Halloween party Saturday evening, Oct. 23, in the church dining room, with young people of ward churches uniting.

Madison Avenue Christian: Thursday evening the Crusaders Bible class will be entertained in the home of Mrs. Ella Ringer Brest of Warren avenue at eight o'clock.

Will Instruct At School Of Religion

Rev. Howard A. Redmond, pastor of Mahoningtown Presbyterian church, will be an instructor at the school of religion sponsored by churches of the Mt. Jackson area, being held at Mt. Jackson high school every Tuesday evening for five weeks.

Rev. Redmond's theme of instruction for his class will be "Great Christian Beliefs".

SEVENTH WARD NOTES
 Mr. and Mrs. Darrell Shadlerline, David Martin, Miss Gwendolyn McCoy, of Philadelphia, and Mr. and Mrs. John Hogan, Miss Grace Magner and brother, George, were guests over the week end with Mrs. Shadlerline's parents, Mr. and Mrs. E. M. Johnston, and grandparents, Mr. and Mrs. E. H. McCombs, of 612 West Clayton street.

Mrs. Louis DeSomma, of Pittsburgh, is visiting with her sister and brother-in-law, Mr. and Mrs. Charles Chambers, of West Clayton street.

Thursday evening Mrs. William Leicht, of Mt. Jackson, will entertain members of the W. A. G. club at eight o'clock for their regular meeting.

Senior Girl Scouts, No. 1, will meet Thursday afternoon after the school sessions at North Beaver high school for instruction by Mrs. Plummer Gibson in standard Red Cross first aid.

In the garden of their home, on Mt. Jackson road, Mr. and Mrs. Clarence Shumaker on Sunday saw a snow white pheasant hen among a flock of other pheasants.

Legion Auxiliary Starting Campaign For Hospital Beds

Additional Fracture Beds Will Be Provided For Use Of Community

Plans have been completed by the ladies of Perry S. Gaston unit No. 343, American Legion auxiliary, for their annual campaign to raise funds to provide additional hospital beds for the use, free of charge, for any residents of the community who may need them.

The unit has already secured six hospital beds and five wheel chairs through the medium of these annual campaigns, which are in use almost continuously.

The beds are orthopedic, fracture type beds, which come provided with all the accessories needed for extension traction in taking care of broken bones.

During the campaign, those taking part will have identification credentials, signed by the proper auxiliary officials. This is not a campaign for donations, but residents will merely be asked to purchase magazines of national reputation.

The officers of the auxiliary are Mrs. Ethel Murphy, president; Mrs. Ella Daugherty, hospital equipment chairman; Mrs. Ruth Conner, secretary; and Mrs. Retha Smith, treasurer.

SPECIAL MEETING OF HOSPITAL AUXILIARY

New Castle Hospital Auxiliary members will meet in the nurses' home, for a special meeting called on Thursday afternoon, October 21 at 1 o'clock.

President Mrs. Evelyn Woods has called the meeting and matters of importance will be discussed.

Expect Large Crowd To Take Auto Test

Operator's tests will be given by a detail of State policemen from Butler, Tuesday, at the Armory. Because there were no tests Columbus day it is anticipated that a large crowd of candidates will be present. The tests begin at nine a.m. and all cars to be used in the test must be in line at 8:30 p.m., because no examinations will be granted after four p.m.

Donation Day Set For Almira Home; Date November 3

In conjunction with Donation Day at Almira Home on Wednesday, November 3, there will be open house at the home from 10 a. m. to noon, from 2 to 4 in the afternoon and from 7 to 9 in the evening.

Traditionally friends of the home on one day each year take or send to the home donations of foodstuffs, staple groceries, fruits, jellies, jams, etc.

Sugar, potatoes, and canned goods of all kinds are used in large amounts at the home to provision the table for the aged residents. Contributions of money are used to purchase needed foodstuffs.

Mrs. W. Walter Graham is Donation Day chairman.

"STUMPY" SANDERS CAN RAKE LEAVES PRETTY NEAR AS GOOD AS ANYBODY.

Around Hollywood

By EUTE BRIGHAM

(International News Service Staff Correspondent)

HOLLYWOOD, Oct. 18.—(INS)—Helen Thurston fell down a flight of steps and wound up a bigshot in Hollywood.

She's been falling down steps and off of cliffs and out of windows ever since.

Miss Thurston is a stunt woman, which is nice work if you can get it and aren't particularly allergic to perpetual black and blue marks. There's one sure way of arousing the ire of the slim blonde whose feats have become legendary in Hollywood.

Very Versatile

It's for a studio to put dresses and a wig on a stunt man for some hazardous undertaking before the cameras.

Miss Thurston, who is filmland's most celebrated stunt girl, said, with fire in her blue eyes:

"There's no stunt that a man can do that a woman can't duplicate."

"Believe me, I know. I've done them all."

That includes crashing automobiles into poles, jumping off cliffs, falling out of windows, and being blown off a stairway by a powder

charge. Miss Thurston would like to have you know.

Accident Star's Career

She spoke her piece after she'd celebrated her ninth anniversary in a career of risking her pretty neck. She did this by taking a fall down a flight of steps in a dream sequence for "Two Guys and a Gal," Warner's technicolor comedy of Hollywood life co-starring Dennis Morgan, Jack Carson and Doris Day.

Helen began her career as a stunt girl by falling down a flight of steps in an RKO picture. Her career, in fact, began by accident. An acrobat prior to that time, she had been called for the movie by mistake. When this was discovered, Helen volunteered to take the fall.

"That started me off on a career I thoroughly enjoy," she explained.

Helen, who is five feet, 6 inches tall and weighs 122 pounds, exercises three hours every day to keep in tip-top condition.

"I think that sometimes I leave the neighbors a trifle aghast," she said.

Must Keep in Shape

She has a trampoline bed in her front yard on which she practices falls. Then she rides a unicycle up and down the street. She cracks a heavy whip and throws knives. She also plays tennis and golf.

One thought which plagues so many of the fairer sex—overweight—never disturbs Helen.

"I am a very heavy eater, a meat, potatoes and gravy girl, so to speak," she explained. "I have to eat lots of meat to keep up my strength."

Miss Thurston would like to have you know.

Kieler To Head Navy Day Program

Observance Of Event Will Take Place Here On October 27, Chairman States

Observance of Wednesday, October 27, as Navy Day, is being planned locally by Attorney Walter A. Kieler, who has been named general chairman here by Robertson C. Cameron, Pennsylvania State chairman.

Attorney Kieler expects to name his committee to assist with the preparations, within the next few days, after which the details of the day's program will be announced.

Since its inception in 1922, Navy Day has received the approval of patriotic organizations, and this year, with public attention focused on foreign affairs, and with events across the seas so important to the peace of mind of Americans, Navy Day may well serve to remind Americans of two reciprocal duties, Kieler states, that of an alert Navy to the citizens, and that of a well informed public to its Navy.

Grand Central and Pennsylvania stations in New York each have about 3,000 automatic lockers which average 25 cents in revenue a day.

A true and interesting fact is that unless it had proven value and merit, no amount of advertising could possibly have built up the reputation that FATHER JOHN'S MEDICINE has earned and maintained since 1855 for the relief of coughs due to colds by its soothing effect on the throat.

SOME FASHION TIPS FOR NEW FALL SHOES

The new look does not end at the hemline, but extends to the toe. The trend in hosiery is toward darker shades to blend with dark plaids and fall colors. Six new shades have been added to fall stocking colors. Women who prefer beige and bronze shades will like the new spice and sunset shades. New grayed taupe shades

are called malt and caraway. Clove is the name of a new gunmetal shade. Black pepper is the darkest fall shade to be worn with dressy outfits. Fashion designers say that wine and green will be popular hose colors also.

New to shoes is the avenue heel which is fast gaining popularity. It is about the same height as a Cuban heel, but more slender. Shoe manufacturers are making more shoes with closed heels and toes than last year. Many of their latest designs fit high around the ankle giving the appearance of a boot.

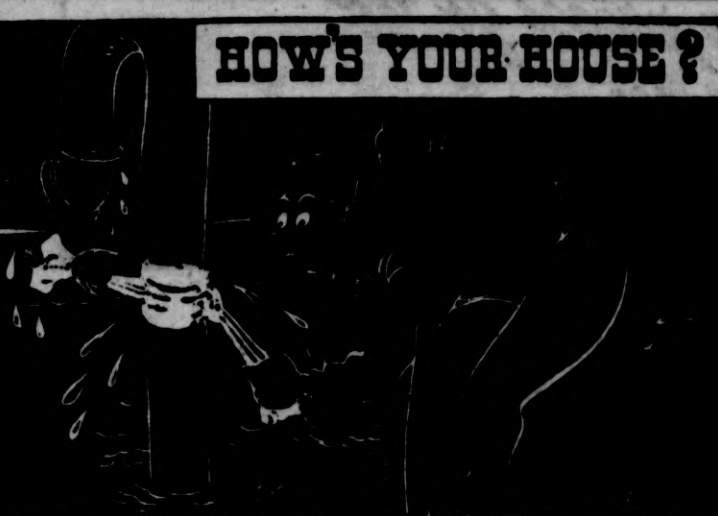

Green and purple jet, which is almost black, are the newest colors in shoes. All shoe colors will be dark with the exception of cranberry red which replaces wine in the fashion color wheel.

Chest Agencies Give Much Service Here

Mrs. James W. Moorehead, chairman of the residential division of the Community Chest campaign now under way, stated "that not until the real need arises do people fully appreciate the help that our Community Chest agencies give to the community. Money cannot measure their service when emergencies arise. So it is hard to compute the total dollars and cents value that the community receives annually."

"But there can be little question that the value far exceeds the amount which the people are asked to contribute toward the support of the agencies."

"New Castle's two hospitals would be a credit to a far larger community. Their work is of daily benefit to hundreds of citizens of all creeds, races and nationalities, and of all degrees of financial standing. Through them the medical profession is better able to perform their work of protecting the lives of New Castle and Lawrence county citizens."

Deserve Much Credit

"The youth agencies receiving support from the Chest deserve much of the credit for the community's favorable record with respect to juvenile delinquency. The monetary value of this record is great, but the intangible benefit is even greater, and it is possible only because Community Chest support permits the youth agencies—Boy and Girl Scouts, and Y. W. C. A. and Y. M. C. A.—to carry on their work."

"Of all the organizations in New Castle which receive and deserve help, the Margaret Henry Home must be placed high on the list. From the time it was founded by Miss Henry, up to the present, more than 3,000 boys and girls have called it home and have grown into useful men and women because of its wholesome influence and fine care. New Castle people love to do things for the Margaret Henry Home children, but the day-to-day living expenses—food, clothing and home maintenance—must come largely from the Community Chest funds."

"Three agencies—Salvation Army, City Rescue Mission and the Catholic Welfare Conference—perform a variety of charitable work in the community. They care for transients, they handle emergency calls where families are in dire distress, they carry out any job regardless of how, when or where—if human beings are needy and suffering in the community. Their religious work is financed from other sources, but the Community Chest helps them carry out a worthwhile job in New Castle and Lawrence county."

U. S. O. Re-established
"At the urgent request of the Secretary of Defense, the U. S. O. has been re-established and service

units are opening throughout the country to serve 2,000,000 young men who will be in uniform by the end of 1948. The U. S. O. is therefore included as an additional red feather service in our drive this year and in contributing we ask that this additional requirement, together with the increased operating costs and other services, be taken into consideration."

"The Community Chest permits local and county citizens to contribute once for many individual needs. Its future place in the community depends on its success in raising the funds needed by all the agencies. Failure means separate drives, for the community cannot continue as a live, self-respecting city unless these agencies are adequately maintained."

TWO ALARMS ARE ANSWERED; NO FIRES

City firemen answered two alarms Saturday morning, but found no fire in either instance.

At 7:25 o'clock, an alarm was sounded from Box 47, when a Butler avenue woman became frightened as smoke and flame burst from her furnace door, when she threw coal into the fire box. No action was required, Chief Herman F. Steinbrink reported.

At 3:30 o'clock, a false alarm was sounded from Box 88.

The village of Jamestown, on the island of Conanicut, R. I., was incorporated in 1878, and named in honor of King James II of England.

Red Sox May Trade Ted Williams?

By LAWTON CARVER
(International News Service Sports Editor)

NEW YORK, Oct. 18.—Among the numerous rumors currently prevalent in baseball circles is one that Ted Williams is leaving the Boston Red Sox.

The most persistent report in this connection is that Williams will be traded to the Detroit Tigers for pitcher Hal Newhouser, third baseman George Kell and one or two unnamed lesser players.

The Red Sox situation is a sort of jigsaw puzzle, which must be put together with some care to make things fit. Even then you can't be sure you have got it solved, but it does seem to indicate that Williams stands a fair chance of being elsewhere.

Tigers Need Hitter

Detroit for a long time has been rumored as interested in the lanky left-fielder and leading hitter in the American League, and if there ever was a time when the Tigers could use a hitter of his type it is now.

Detroit is one of the clubs which through slow decay has gone from the heights to a place among the also-rans, and one that needs quick rebuilding.

Boston would have a pennant contender again next season with some pitching. Without it, the Red Sox won't even come close to the pennant.

To all outward appearances Manager Joe McCarthy and Williams are bosom pals, who worked hand in hand to get the Red Sox down to the playoffs with the Cleveland Indians.

Williams' temperamental

But McCarthy is not the kind of manager who welcomes temperamental stars on the team he leads, and unless he has changed, he probably would grab at a chance to get rid of Williams. This has been said before.

Up to now McCarthy has coasted along taking things more or less as they came but he is assuming full command now and it may be that he personally is interested in exchanging Williams for some pitching strength.

It is his idea he will make it stick, now that he apparently has definitely decided to manage the Red Sox again next season. He probably would have quit baseball for good if his club had won the pennant. He doesn't want to bow out leaving a loser behind.

Coyler Replaces Baker

Del Baker, one of Joe Cronin's holdover coaches, was replaced yesterday by Kiki Cuyler, a McCarthy supporter of long standing and other changes in keeping with McCarthy's ideas are likely.

Williams fits into all this in a peculiar way. There is a large portion of Boston fans who never will accept him no matter what he does. They are strictly anti-Williams and don't plan to change.

When Cronin was manager he accepted this as part of the job. They raised Williams from rookie to outstanding star.

He had a personal affection for a prize in the McCarthy era. He is a cold-blooded business man. He probably would like to hear more cheers for a change.

Limit Of Ten Grid Tickets

Insulating a new policy owing to the heavy demand for tickets, the New Castle High authorities are placing a limit of 10 tickets to each fan for the two remaining home games, Mt. Lebanon and Washington, and for the two out-of-town games, Allegheny and Warren.

J. H. Earl McKennie in announcing the new policy said that he hopes for a wider distribution to the fans. The policy will tend to discourage "scalping".

Seven Remain In Class AA Race

There are seven remaining contenders for the Class AA WPIAL football championship after another disastrous weekend. The schools with unblemished records are—New Castle, New Kensington, Ambridge, Duquesne, Wilkinsburg, Monongahela and Jeannette.

Those falling by the wayside Friday and Saturday—Farrell, Rochester, Scott and Mt. Lebanon.

New Castle will play Mt. Lebanon at New Castle Friday night. Duquesne plays at McKeesport, Wilkinsburg is host to Scott, Monongahela goes to Redstone, and Jeannette plays at Johnstown.

By next Friday midnight the list will be much smaller.

Ten Undeclared Major Grid Teams Moderates Score

By LES CONKIN
(International News Service Sports Writer)

NEW YORK, Oct. 18.—The list of undeclared, untitled college football teams was down to ten today. Michigan and Notre Dame head the list. They are followed by California, North Carolina, Georgia Tech, Penn State, Army, Cornell, Penn and Clemson.

Four Rubbed Out

Northwestern, Mississippi, Maryland and Detroit were knocked off the list last Saturday. At least one more must go this week because Army and Cornell meet head-on in the top eastern game.

In other leaders will be under pressure. Suggested Minnesota will be playing over its head against Michigan in the traditional Little Brown Jug battle.

Iowa's Hawkeyes always have been tough for Notre Dame. Penn State takes on Michigan State, which gave Michigan a hard fight in its first game of the season. And Washington will be no push-over for California.

Titan Harriers Lose Saturday

NEW WILMINGTON, Oct. 18.—Westminster College's cross-country team suffered their second straight loss Saturday morning at the hands of West Virginia University, 23-33.

Harold, ace West Virginia harrier, finished first. He covered the 9.4 mile course in 35:28. First Westminsterite to finish was Renny Jackson, third, in 38:44.

The runners finished as follows: Harold, W. Va.; Shirley, W. Va.; Jackson, W. Va.; Wiley, W. Va.; Kinison, W. Va.; Rice, W. Va.; Deighan, W. Va.; McKennie, W. Va.; Posega, W. Va.; Wakefield, W. Va.; Vandervort, W. Va.

State Preparing For Tough Game

STATE COLLEGE, Pa., Oct. 18.—(INS)—The Penn State Lions begin preparations today for one of their toughest Saturdays of the season.

Victors over West Virginia 37-7 at State College last week, the Lions face potent Michigan State at the same place next Saturday. Michigan State made it rough for Michigan and Notre Dame, although losing to both, and run up one-sided victories over Hawaii and Arizona.

It will be homecoming for Penn State, which hasn't been beaten since 1946. The string of triumphs now stands at 12.

In 25 years of football Juniata college teams have won 58, lost 113 and tied 8 times.

Limit Of Ten Grid Tickets

Insulating a new policy owing to the heavy demand for tickets, the New Castle High authorities are placing a limit of 10 tickets to each fan for the two remaining home games, Mt. Lebanon and Washington, and for the two out-of-town games, Allegheny and Warren.

Sportsmen To Meet Tuesday

Ecclesian hall, South Jefferson street, will be filled Tuesday night when the Lawrence County Sportsman's association holds a regular meeting. A Savage rifle is to be given away, according to Herman Steinbrink. After the meeting coffee and doughnuts will be served.

BELTIN BEN HOGAN IS AGAIN WINNER

GLENDALF, Cal., Oct. 18.—(INS)—Belitin Ben Hogan is still going strong and none of the nation's top professional golfers was quite sure today where they were going to stop him.

The Hershey, Pa., links star captured the first annual \$15,000 Glendale open yesterday by firing a hot six-under-par 64 on the final 10 holes to lift himself to the top.

The victory brought his year's winnings to \$34,358.32.

ST. VINCENT HANDS ALLIANCE DEFEAT

LATROBE, Pa., Oct. 18.—(INS)—St. Vincent college scored three times in the last half Sunday to defeat Alliance 18-12 in a football game in the rain at Latrobe.

The Bearcats rallied from a 0-12 deficit to win. Frankie Martin's 72-yard run with three minutes to go was the winning touchdown.

SPORT SHORTS

The Eagles' Joe Muha, one of the league's great punters, leads Frank Reagan, of the New York Giants, in that department. The former V.M.I. luminary has averaged 47.6 on 15 attempts and has the season's longest kick, 69 yards.

Uncle Mike Jacobs was back on the job at the 20th Century when the news of Louis' un-retiring came and is known to have played a good strong hand in persuading the heavyweight champion to re-entertain retirement.

Penn. billed as one of the better teams in the East, performed as expected in defeating Dartmouth 26 to 13 in its season opener.

Captain-elect of the Penn State cross-country team is Horace Ashenbeller, of Collegeville, Pa., who is IC-4A two-mile champion.

Gators Strike Pay Dirt Twice

Eighty-Yard Run By Sylvester Of Titans Nullified By Offspring Penalty

(Special To The News)

MEADVILLE, Oct. 18.—Allegheny college gridgers, performing before their new president, Dr. Louis Benzer, who was inducted Friday, handed Westminster a 13-0 trimming Saturday afternoon at Meadville. The contest featured Allegheny's homecoming celebration and was played on the turf of the new \$250,000 stadium.

Allegheny struck in the first three minutes of play and again early in the second quarter. However, Titan fans were a disgruntled lot at the game's conclusion as the result of a clipping penalty which nullified a beautiful 80-yard return of a punt by Sylvester, Westminster halfback, early in the second quarter. The run came when Allegheny was leading 6-0.

Punt For Tally

Westminster received on the opening kickoff but failed to gain. Barthelston punted out to midfield from where Allegheny started a march which carried to the nine. A five-yard offside penalty put the 'Gators back to the 14 from where Baker passed into the corner to Pollard for a touchdown. An end run failed to garner the extra point.

The Titans had two excellent chances late in the first quarter but the touchdown punch was lacking. Conrad recovered an Allegheny fumble on the latter's 45. Four plays annexed a first down on Allegheny's 30 and then the home team was penalized 15. The 'Gators braced and took the ball on downs on the 12.

Fumble Points

A minute later Copetas recovered an Allegheny fumble on the Allegheny 27. Wharton went to the 20 but Barthelston fumbled on an end sweep on the 20 with Allegheny recovering.

It was early in the second quarter on an exchange of punts that Sylvester received Carmen's punt on the Westminster 20. He broke to the right and raced down the sideline and crossed the line standing up. The field judge had detected clipping on the Titan 30 and the play was called back and the Titans penalized to the 15.

Barthelston's punt went out on his own 30. Three plays netted Allegheny six yards. On the fourth down, pass interference was called on Westminster on the 15 and it was first down for Allegheny.

Scores From 1-Yard Line

A line buck failed but Westminster was offside and the ball was placed on the 10. Baker picked up a yard and then went to the 4 1/2 for a first down. Two line plays followed and the Titans moved to the 10. Pollard scored on a hand off from Baker. Uberg kicked the extra point.

Westminster just missed a score midway of the fourth quarter when Wharton took a short pass from Dyson and raced 42 yards to Allegheny's 28. Allegheny braced and pushed the Titans back 30 yards on four plays.

Allegheny had 10 first downs to Westminster's five. Allegheny completed three passes in eight attempts, one of them for a touchdown. Westminster completed two in seven attempts for 42 yards and had three intercepted.

Boltbusters' Ready For Catholic Vets

Experienced Pittsburgh Eleven To Offer Stiff Opposition To Unbeaten 'Bolts'

(Special To The News)

ELLWOOD CITY, Oct. 18.—Ellwood City's V.F.W. Boltbusters get their stiffest assignment of the season on tonight when they tangle with the strong Pittsburgh Catholic Vets under the Lincoln Field area at 8 o'clock.

Last year Ellwood defeated the Vets 7 to 0 in a game that was marred by a heavy downpour of rain. Bob Noonan, former Geneva college luminary, is the coach of the Vet eleven. The squad is composed mostly of former players of Peabody and Westinghouse high schools. After losing to Ellwood last year, the Vets traveled to New York and defeated the winner of the Catholic league there on Fordham University field.

Ellwood City is in good shape for this one, with the exception of Vargo, a sub fullback, who suffered several broken ribs in the North Braddock game. In anticipation of a strong passing attack, the locals spent much time last week brushing up on pass defense.

Eagles Leading Eastern Division

(By International News Service)

Philadelphia's Eagles appeared today to have an excellent chance of repeating as titleholders in the Eastern Division of the National Football league.

In the Western section, the champion Chicago Cardinals had one serious threat, their fellow-townsmen the Bears.

Philadelphia gained undisputed possession of first place Sunday by pulverizing the Redskins 45 to 0.

Yanks Beat Steelers

Pittsburgh's Steelers, who had shared the lead with Washington, lost to the Yanks, 13 to 7.

The undefeated Bears stayed on top in the Western Division by blanketing the Detroit Lions 28 to 0.

The Cardinals kept right on the heels of the Bears by swamping the New York Giants by the basketball score of 63 to 35.

Browns Trim Bills

The Green Bay Packers, getting tired of being fined for losing, turned on the Los Angeles Rams and belted them 16 to 0.

In the rival All-American Conference, the San Francisco 49ers defeated the New York Yankees, 21 to 7. Cleveland's champion Browns, also undefeated, breezed to a 31 to 14 win over Buffalo.

SIX-DAY BIKE RACES RETURN

NEW YORK, Oct. 18.—(INS)—The six-day bicycle race, the world's strangest sports, has returned to New York for a scuffle lasting through next Saturday night.

The competition itself—in which men just keep on pedaling to nowhere for 146 hours—is exceeded in madness only by an afternoon in the offices of the publicity department brought together to sell the event to the public.

Westminster just missed a score midway of the fourth quarter when Wharton took a short pass from Dyson and raced 42 yards to Allegheny's 28. Allegheny braced and pushed the Titans back 30 yards on four plays.

Allegheny had 10 first downs to Westminster's five. Allegheny completed three passes in eight attempts, one of them for a touchdown. Westminster completed two in seven attempts for 42 yards and had three intercepted.

So far Johnny Loccasano, manager of Frankie Moran, has not uttered a "peep" regarding the challenge of Nat Moll, Monaca, in behalf of Bobby Neal, welterweight, who wants to box Moran here. The Bobby Neal vs. Ted Bussey fight in The Arena was one of the best pro battles fans have yet seen here, and many believe Neal would prove a hard nut for Moran to crack, but in the opinion of Here & There, Frankie would defeat him... but this is only one man's opinion. The Jefferson A. C. is casting about for opponents for Moran, Billy Pozza, Johnny Izso, Rizieri Ronzi and Les Leasure for a November 3 show... Earl Conway, 1120 South Jefferson street, intends to convert his garage into an athletic hall for youngsters, ranging in age from six years upward. Ground Blast Rocks U. S. Plane Flying Near Berlin

BERLIN, Oct. 18.—(INS)—U. S. officials said today that an explosion which rocked an American plane flying near Berlin today apparently was a ground blast and not anti-aircraft fire.

The pilot of the U. S. plane had reported a bomb burst beneath his craft, shortly after leaving Berlin's Gatow airport for Frankfurt. U. S. officials at the four-power Berlin air safety center lodged a protest with the Russians.

Prior to the disclosure that it was a ground explosion which rocked the plane, American authorities had begun an investigation of the possibility that anti-aircraft fire was responsible.

Radio Networks Open Battle For Give-Away Shows

WASHINGTON, Oct. 18.—(INS)—The radio networks open a battle today to defend their right to stage "giveaway" programs which have brought radio listeners thousands of dollars.

Broadcasting officials and advertising executives are slated to testify before the federal communications commission which is weighing the question of whether to outlaw the prize programs as lotteries.

The commission in August contended that programs such as "Stop The Music and the 'Hush Family'" contests are in violation of the 1934 communications act and proposed a series of rules which would put an end to the post-war radio craze.

Bible Class Names Officers For Year

Officers were named Sunday morning by the Men's Bible class of the Epworth Methodist church. Clare Roberts was named president, William Richardson vice president, Charles Chamberlain secretary and Joseph Campbell treasurer. Charles Teets was named assistant secretary and Frank Cypher assistant treasurer. H. Lee Marvin was re-elected as teacher and James Clements assistant teacher.

Recreation Center Opens Thursday

City Recreation center will open Thursday evening, according to General Chairman Cecil F. Suber, who adds that dancing for ladies and gentlemen over 18 years of age will be held between 9 p. m. and midnight each Thursday. The proceeds from such will be used for the advancement of the committee's recreation program.
